

Welcome back everyone! First of all, congratulations to everyone for a brilliant end-of-term concert and Festive Reception performance. Especially when technology let us down and we had to keep going with no lyrics!

Carol Singing at Vauxhall

Thanks to everyone who came carol singing at Vauxhall. We raised over £430 pounds, which will be used to make PAM even better. We're hoping to go back to Waterloo this Christmas, where we will try and smash our fundraising target.

Exams

We will be entering students who are ready for their next exam at the end of this term.

For students sitting exams there will be an extra session following the end of term on **Wednesday 3rd April** geared towards exam preparation.

Exams are likely to be scheduled for Saturday 6th April or Saturday 13th April but the date will be confirmed nearer the time.

Last Session (PAM Week 10)

There will be no concert this term, so that we can focus more time on teaching and learning, and take off a bit of pressure for those working towards exams. However, parents are warmly invited to come along and watch choir and orchestra, and catch up with James in the meantime.

Punctuality

Lots of people are arriving very late at the moment. Please can everyone make sure that they arrive on time at 6:30pm, and certainly no later than 6:45pm when PAM starts. Remember that it takes time to register first.

PAM mobile number: 07923 831 288
