

Dear parents and carers,

As we draw closer to Christmas, here's a reminder of the important events to keep in mind. PAM will not be performing at the Festive Reception this year. This is due to a change in the format of the event.

Please keep the 27th November (PAM Winter Concert) and the 4th December (PAM Carolling at Waterloo) in the diary and make sure to bring along friends and family!

There will be more exciting performances to look out for in the new year.

SAVE THE DATES!

6:30-7:45pm

Please make a special note of this, as this is a new date! We will be doing a short extra session to practise for our very important

- **Wednesday 27th November — Winter Concert**

Children should arrive for PAM at the normal time of **6:30pm** to rehearse. The concert will start at **7:45pm**. Bring as many of your family and friends as you can! Afterwards, we'll have a celebratory feast downstairs!

- **Wednesday 4th December — Singing at Waterloo Station,**

PAM is part of the charity, Pembroke House, and fees are heavily subsidised. Every year we sing at a nearby station to raise money for PAM. This year, we are singing at Waterloo underground station and we will meet there in the evening (not at Pembroke House).
